HEARTLAND

PREGNANCY CARE

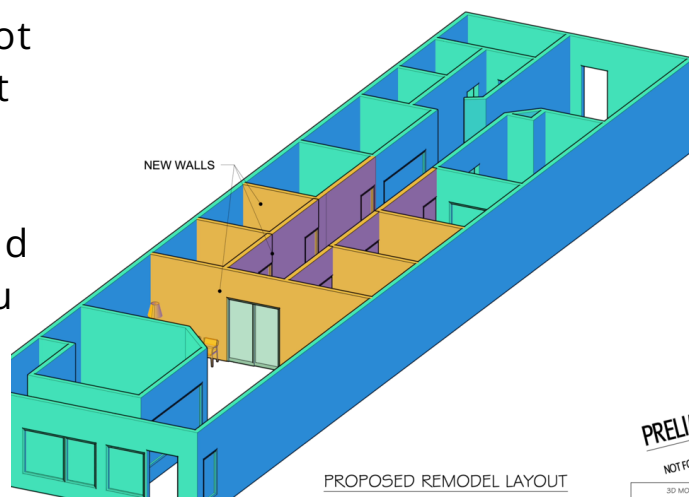

HEARTLAND IS MOVING!

*"Unless the Lord builds the house,
those who build it labor in vain."*

Psalm 127:1a

On October 2, 2023 Heartland officially became the proud owners of the building at 717 N. Main! The Lord has truly been moving in the work at Heartland PCC. Many of you will remember a letter we sent a few short years ago declaring Heartland was down to its last few dollars. Because of people just like you, not only did we sign the deed for this building, but we did it **DEBT FREE!** Praise the Lord for providing! Now begins the remodel work and then moving. We hope to be in the building and operational by the summer of 2024. Thank you for everyone who has partnered with God to make this dream come true. Heartland is excited to better serve our community!

*NAME CHANGED FOR CONFIDENTIALITY

BABY MARIO* IS BORN!

In October we celebrated the birth of Mario. Life is precious and Mario is enjoying every minute of it. The Lord answered our prayers in watching over little Mario. His birth is a testament of God's grace and provision.

PROVIDING LIFE SPIRITUALLY, EMOTIONALLY, AND PHYSICALLY

The Reality of Bleeding Kansas

The name "Bleeding Kansas," coined in the mid-1850s, was in response to the violence due to racial issues of the time. I believe today we face a repeat of history. Over 12,000 abortions occurred in Kansas in 2022. I believe as history repeats, the future will hold Kansas guilty of the blood of the innocent again. Pair this with the fact that Harvey County has one of the highest infant mortality rates in Kansas. We realize it is only together that we, like our forebears, can see the name "Bleeding Kansas" come to an end. We are thankful for you and your commitment to stand with us throughout this challenging season.

VOLUNTEER SPOTLIGHT

Serena has recently joined the amazing work at Heartland PCC utilizing her nursing skills. She has partnered with our nurse manager Michelle in serving pregnant women in our community. Her desire to serve and represent Christ has been a notable addition to the team. Please welcome her and thank her for the amazing service she is providing.
