

Heartland Pregnancy Care & Family Life Services, Inc. Statement of Principle

1. Heartland Pregnancy Care & Family Life Services, Inc. is an outreach ministry of Jesus Christ through His church. Therefore, HPCC, embodied in its volunteers, is committed to presenting the gospel of our Lord to the women with unplanned pregnancies – both in word and in deed. Commensurate with the purpose, those who labor as HPCC board members, directors, and mentors are expected to know Christ as their Savior and Lord.
2. Heartland Pregnancy Care Center is committed to providing its clients with accurate and complete information about prenatal development, adoption, abortion, childcare, and family building.
3. Heartland Pregnancy Care is committed to integrity in dealing with clients earning their trust and providing promised information and services. HPCC denounces any form of deception in its corporate advertising or individual conversation with its clients.
4. Heartland Pregnancy Care is committed to assisting women to carry to term by providing emotional support and practical assistance. Through the provision of God's people and the community at large, women may face the future with the hope and plan constructively for themselves and their babies.
5. Heartland Pregnancy Care does not discriminate in providing services because of race, creed, color, national origin, age, or marital status of client.
6. Heartland Pregnancy Care Center does not recommend, provide, or refer for abortion or abortifacients.
7. Heartland Pregnancy Care Center's program Earn While You Learn is virtual money earned. Heartland Pregnancy Care Center never accepts real money to purchase the items in mercantile or gain more virtual money.
8. Heartland Pregnancy Care Center is committed to creating an awareness within the local community of the needs of pregnant women and the fact that abortion only compounds human need rather than resolving it.

9. Heartland Pregnancy Care Center does not recommend or provide contraceptives for women. HPCC is committed to educating these women about contraceptives and how the work.
10. Heartland Pregnancy Care Center recognizes the validity of adoption as one alternative to abortion, but is not biased toward adoption when compared to the other live-saving alternatives. Centers are independent of adoption, relating to them in the same manner as to other helpful referral source. HPCC receives no payment of any kind from these agencies, do not enter into contractual relationships with them, and do not share combined office space. Adoption agencies are not established under the auspices of centers. HPCC neither initiate nor facilitate independent adoptions, through they may refer for independent adoption in the state where it is legal.
